Education

Shaheed Zulfiqar Ali Bhutto Institute of Science and Technology <i>Bachelor of Software Engineering (3.26)</i>	Islamabad, Pakistan 2023 - 2027
--	---

Professional Experience

Xgrid Xgrid is a Tech-First Digital Services and Cloud Innovation Company Internship	Islamabad, Pakistan July 2025 – August 2025
--	---

- Completed a six-week internship focused on full-stack development using MongoDB, Express.js, React, and Node.js
- Invested 42+ hours building a responsive web application to deepen understanding of backend–frontend integration
- Designed RESTful APIs and implemented dynamic routing to support seamless user experience
- Collaborated with mentors to debug and optimize code, improving app performance and deployment readiness

Academic Experience

Word Guessing Game in C++ Developed as part of academic coursework to strengthen algorithmic thinking and console-based UI design (Szabist) Solo Developer	Islamabad, Pakistan September 2024 – February 2025
--	--

- Developed a console-based word guessing game in C++ with dynamic difficulty levels and randomized word selection
- Implemented input validation, scoring system, and game progression using string manipulation and control structures
- Strengthened understanding of core programming concepts including arrays, functions, loops, and conditional logic

Projects

CryptVault – Privacy-First Cloud Storage Platform Personal full-stack project focused on secure cloud infrastructure and encrypted storage systems Solo Developer	Islamabad, Pakistan February 2025 – Present
---	---

- Developed a full-stack encrypted cloud storage application using TypeScript, React, Node.js, and Express
- Implemented zero-knowledge AES-GCM encryption with the Web Crypto API to secure files before upload
- Configured self-hosted cloud infrastructure using Cloudflare Tunnels for secure remote access
- Built an in-browser file preview and decryption system supporting images, videos, and PDFs
- Strengthened understanding of cybersecurity, REST APIs, authentication, and scalable web application architecture

Awards

-Internship Completion Certificate – Xgrid (MERN Stack Development)	2025 - 2025
---	--------------------

Skills

Programming Languages

Java, C++, C, JavaScript, TypeScript

Frontend Development

React.js, HTML, CSS, Material UI

Backend Development

Node.js, Express.js, REST APIs

Databases & Cloud Technologies

MongoDB, XAMPP, Cloudflare

Security & Authentication

AES-GCM Encryption, Web Crypto API, Authentication Systems

Developer Tools

Git, GitHub, Postman, Visual Studio Code, Dev-C++
